

## Glass

Joy Division

Hearts fail, young hearts fail  
Anytime, pressurized  
Overheat, overtired

Take it quick, take it neat  
Clasp your hands, touch your feet  
Take it quick, take it neat  
Take it quick, take it neat

Hearts fail, young hearts fail  
Anytime, wearing down  
On the run, underground

Put your hand where it's safe  
Leave your hand where it's safe  
Do it again, do it again and again and again

Do it again and again and again  
Do it again and again and again  
Do it again and again and again

Anytime, that's your right  
Don't you wish to do it again  
Overheat, overtired  
Don't you wish to do it again

Don't you wish to do it again  
Don't you wish to do it again

Anytime, that's your right  
Don't you wish to do it again  
Anytime, that's your right  
Don't you wish to do it again

Don't you wish to do it again  
Don't you wish to do it again  
Do it again, do it again  
Do it again, do it again
