

# DRUGS

Joy Oladokun

Probably shouldn't be stoned as fuck

The drugs don't work

Oh, I can't get high

Oh, doctor, doctor, find me a new way to survive

What happened to the good old days?

Where you could take a hit of that good shit and feel your troubles fade away?

I guess I've got to make a change

I'm not sober, I'm just over trying to smoke away the rage

The drugs don't work

Oh, I can't get high

Oh, doctor, doctor, find me a new way to survive

And my friends don't call

Unless they need a ride

Oh, Father, Father

Feels like I'm barely getting by

Seems like I've gotta look for a new way to survive

I've been running on empty and calling it strength

I've reopened old wounds 'cause I won't take a break, no

I know I've got to make a change

I won't hurt myself or go through Hell

Tryna prove my place

The drugs don't work

The drugs don't work, no

Oh, I can't get high

Oh, I can't get high

Oh, doctor, doctor, find me a new way to survive

And my friends don't call

And my friends don't call me

Unless they need a ride

Unless they need a ride

Oh, Father, Father

Feels like I'm barely getting by

Seems like I've gotta look for a new way to survive

All the wine and the weed just won't heal my disease

The drugs don't work, no

Ooh, ooh, ooh

And my friends never call unless they have the need

And my friends don't call me

Ooh, ooh, ooh

The drugs don't work

The drugs don't work, no

Oh, I can't get high

Oh, I can't get high

Oh, doctor, doctor, find me a new way to survive

And my friends don't call

And my friends don't call me

Unless they need a ride

Unless they need a ride

Oh, Father, Father

Feels like I'm barely getting by  
The drugs don't work  
The drugs don't work, no  
Oh, I can't get high  
Oh, I can't get high  
Oh, doctor, doctor, find me a new way to survive  
And my friends don't call  
And my friends don't call me  
Unless they need a ride  
Unless they need a ride  
Oh, Father, Father  
Feels like I'm barely getting by  
Seems like I've gotta look for a new way to survive
