

Charmed Life

Joy Williams

Just sit tight,
Don't you even think about going anywhere
Stay where you are,
Open up your eyes to what's all already there
What I'm about to tell ya,
What I'm about to say
Don't even let it throw ya,
It just might change your day.

We're living in a charmed life, charmed life
You and I, a charmed life
ohh ho oh ho ohh

There's a well-lit sky hanging over everyone that's walking by
It's plain to see what we got is color in a world of black and white
Don't even let it fool ya,
We got everything we need
Don't even let it throw ya, I know it's hard to believe

We're living in a charmed life, charmed life
You and I, a charmed life
ohhhh ohh ohhh

It's easier said than done, it's true, it's true
But count your kisses one by one, we're living proof, we're living a...

Charmed life, charmed life
You and I, a charmed life, ohhhh ohhh
Charmed life, charmed life
You and I, a charmed life, ohh
Just sit tight, Don't you even think about going anywhere
