## **Charmed Life**

**Joy Williams** 

Just sit tight, Don't you even think about going anywhere Stay where you are, Open up your eyes to what's all already there What I'm about to tell ya, What I'm about to say Don't even let itD throw ya, It just might change your day.

We're living in a charmed life, charmed life You and I, a charmed life ohh ho oh ho ohh

There's a well-lit sky hanging over everyone that's walking by It's plain to see what we got is color in a world of black and white Don't even let it fool ya, We got everything we need Don't even let it throw ya, I know it's hard to believe

We're living in a charmed life, charmed life You and I, a charmed life ohhhh ohh ohhh

It's easier said than done, it's true, it's true But count your kisses one by one, we're living proof, we're liv ing a...

Charmed life, charmed life You and I, a charmed life, ohhhh ohhh Charmed life, charmed life You and I, a charmed life, ohh Just sit tight, Don't you even think about goingD anywhere
