

New Day

Joy Williams

Have you ever doubted what you're made of?
Have you ever fed your fears
Have you ever seemed disconnected?
Has your laughter ever turned to tears?

It's alright, it's alright
You're not the only one

Have you ever made a silly faux pas?
Or kissed another dream goodbye?
Have you ever found out when time ran out
You needed one more try?
Yeah, yeah, yeah

Oh yeah, it's okay, God'll bring in a brand new day
Another chance, another choice
Another hope, another possibility
All right, Ok, no more time for yestreday
Open your eyes and you'll find
It's a new day

So wake up, wake up from your bad dream
Ooo, you gotta clear your head
There is opportunity knowcking
When you're hangin by a thread

It's alright, a new sun's gonna rise
Oh yeah, come on!

Oh yeah, it's okay, God'll bring in a brand new day
Another chance, another choice
Another hope, another possibility
All right, Ok, no more time for yestreday
Open your eyes and you'll find
It's a new day

No more fear, it's a new day
No more worry, it's a new day
No more doubt, it's a new day
Just believe it, it's a new day

It doesn't matter where your life has been
Put your trust in Him
And let a new day begin, come on!

Oh yeah, it's okay, God'll bring in a brand new day
Another chance, another choice
Another hope, another possibility
All right, Ok, no more time for yestreday
Open your eyes and you'll find
It's a new day

Alright, okay
Don't you worry about yesterday
It doesn't matter what you've done wrong
It's gone, gone, gone, gone gone
Everything's gonna be alright

Another chance, another try
Open your eyes cause the sun is about to shine
Open your eyes and you'll find...

It's a new day, come on!
It's a new day, it's a new day
It's a new day, come on, come on
It's a new day, come on!
