

If time is straight like a line then I'm dying
33 times I climbed up the same tree
Climbed up the same tree

Going away for awhile
Pulled back my skin and found a mannequin
If I am straight like a line then I'm dying
Climbed up the same tree

My tongue's on the floor
On the cement

Turned off my head for awhile
Remote viewing I found a pyramid

If time is straight like a line then I'm dying
Climbed up the same tree

I'm getting tired of life
Climbed up the same tree

My tongue's on the floor
On the cement

I'm getting tired of life
I'm getting tired of life
Climbed up the same tree
Pulled it right out
I'm getting tired of life
