

# God

Joy Zipper

The time is over  
the day is gone now  
i spent the day with her  
to spend an hour with god  
my dream is over  
and now i'm sleeping

i heard there was no god  
but i just spent the day with him

oh, with him  
oh  
oh oh

they're not spinless  
and grass is greener  
i walked the moon with her  
to spend an hour with god

i heard there was no god  
but i just spent the day with him

oh, with him  
oh oh

(oh oh oh)
