

# Hello

Joy

When I saw you at the party  
you were talking to a girlfriend  
I just walked across the room and said: hello  
hello  
hello !  
While we danced I felt your body  
Touched your face and dared to kiss you  
When the song was over I just couldn't let you go

you go  
you go!

Hey hello - be my darling  
hey hello - be my girl

Always wanted so much more than just a one night love affair.  
Hey hello - feel the magic  
hey hello - in the air  
I can give you so much more than just a one night love affair.  
Midnight-hour in my apartment  
I could feel your burning passion  
When I loved you in the shadow of the night.  
You were leaving in the morning  
but you promised you would call me

One more kiss  
I'll see you soon  
and then goodbye!

Hey hello - be my darling  
hey hello - be my girl  
Hey hello - be my darling  
hey hello - be my girl  
Hey hello - feel the magic  
hey hello - in the air

I can give you so much more than just a one night love affair.
