

## danke schoen

Joyce Manor

Like, quiet for the rest of it, but like  
You know, (Yeah) super rowdy  
Alright, ready?  
Wait, you recording right now?  
Yeah  
Go back, dude, I can't have that in there  
Dude, I'll cut it out, I promise  
Okay  
Alright

My danke schoen  
You were so hard to find  
Though you were never mine  
It's always on my mind  
And your hankered face  
Scars that you can't explain  
Your hatred for this place  
My home is not your base

So where are you, where are you now?  
So where are you, where are you now?  
So where are you, where are you  
Where are you, where are you now?

And my danke schoen  
Won't stand the test of time  
Don't look to me to find  
What's always on your mind  
And my song for you  
Is as blind as you too  
Oh, no point hanging 'round  
Our love has left me out
