

## Done Right Discount Flooring

Joyce Manor

Paint cans left out all night in the rain  
Don't dry out, they overflow into the storm drains  
And if you follow the bay to the Pacific ocean  
All the kids are playing and the moms are bathing  
And the baby brothers all get swept away  
[?]

Paint cans left out all night in the rain  
You've been rusted shut, forever to be contained  
You'll never play in the ocean or stain the cement  
You've been promised something that you won't ever get  
It's done right discount flooring  
The best of intentions can be so boring  
Oh shit, what do you know?  
My conditional love is a fucking joke
