

## Friends We Met Online

Joyce Manor

You and I were members of the same online community  
I know that it sounds kinda lame when I say it out loud  
But it's true we met there  
It's where we spend most of our time  
Talking to friends, friends that we met online

And you were always there for me when I was feeling kind of lonely  
I think of things you said to me all the time  
Yeah it's true we met there, it's a really big part of our lives  
Talking to friends, friends that we met online

Some people go to work at night  
And some people go to sleep  
Some people live in big apartments  
Still they're giving you the creeps  
I sit up in my bed and I'm  
Sick to my cyber soul  
How you ever gonna teach me something?  
I don't even wanna know

How can we misremember such sad horrible times  
Talking to friends, friends that we met online  
Friends that we met online  
Friends that we met online  
Friends that we met online
