

# **Kid**

**Joyce Manor**

Kid, what changed your mood?  
You got all sad, so I feel sad too  
I think I know  
Some things you never outgrow

You think it's wrong  
I can tell you do  
How can I explain  
When you don't want me to?

Kid, my only kid  
You look so small, you've gone so quiet  
I know you know  
What I'm about, I won't deny it

But you forget  
You don't understand  
You've turned your head  
You've dropped my hand

All my sorrows  
All my blues  
All my sorrows

Shut the light  
Go away  
Full of grace  
You cover your face

Kid, precious kid  
Your eyes are blue, but you won't cry, I know  
Angry tears are too dear  
You won't let them go
