

Bittersweet Goodbyes

Joyce Wrice

Baby, just let me
Be here, don't tame me
Kiss me and undress me
I know there's more of you inside
Just put me inside
Ooh, ooh, ah

Say that I'm your one and only (Ooh, ah)
Then you go and leave me lonely (Ooh, ah)
Say it but you never show me
I know you wanna make it right
Boy you gotta stay a while
Yeah, I just need you to

Stay right there (Ooh, ah, ah)
Why you always inconsistent?
Look at me (Ooh, ah, ah)
Close the space, don't give me distance, no
'Cause if you're lookin' for the words that's what you'll find
Bittersweet goodbyes

Hey, hey, hey, hey, hey, hey
I want you some more
Hey, hey, hey, hey, hey, hey
Don't look at the door
Hey, hey, hey, hey, hey, hey
Be happy and more
No more bittersweet goodbyes

If it ain't one thing it's the next two
Relax yourself, don't need issues
There's a lot I know that you been through
Let it go and throw it to the side
I just wanna see, I just wanna see (I just wanna see)
You give it all to me, give it all to me

Say that I'm your one and only (Ooh, ah)
Then you go and leave me lonely (Ooh, ah)
Say it but you never show me
I know you wanna make it right (Now you wanna make it right)
Boy you gotta stay a while (Won't you stay a while?)
Yeah, I just need you to

Stay right there (Ooh, ah, ah)
Why you always inconsistent?
Look at me (Would you look at me?)
Close the space, don't give me distance, no (No, no, ooh)
'Cause if you're lookin' for the words that's what you'll find
Bittersweet goodbyes

Hey, hey, hey, hey, hey, hey
I want you some more (I want you more)
Hey, hey, hey, hey, hey, hey (Don't look)
Don't look at the door (Ah, ah, ah, ah)
Hey, hey, hey, hey, hey, hey
Be happy and more
No more bittersweet goodbyes (No more, no more)

Uh, uh
Oh, oh, I want you some more
Uh, yeah
Don't look at the door
Be happy and more
No more, no more, no more
Yeah
