(2019)  
(All the ladies in the house)  
Hey, c'mon

It's safe to say it's going down tonight  
If you noticed how she on me  
You'd say the same thing (Same damn thing)  
All of my fellas wildin' out  
They're hype and  
I just hope that they don't  
Ruin it for me

You see her eyeing me  
The second I walked in, eyeing me  
It felt like she kept finding me  
She choosing, she choosing  
She eyeing me  
Next thing I know she grinding me (Grinding me)  
It's 'bout time we get some privacy (Privacy)  
I love me some aggression

I might be tipsy, baby  
But I ain't crazy, baby  
I might be tipsy, baby (Baby)  
But I ain't crazy, baby

I just came for a good time  
I'm with my girls out, fucking fly  
And the next thing I know is  
I'm dancing all up on this guy  
Shit, I like where it's going  
I won't fight, keep it going, yeah  
Just hope my girls don't ruin it for me, yeah-yeah

You see her eyeing me  
The second I walked in, eyeing me  
It felt like she kept finding me  
She choosing, she choosing (Choosing)  
She eyeing me  
Next thing I know she grinding me  
It's 'bout time we get some privacy  
I love me some aggression (Love some aggression)

I might be tipsy, baby  
But I ain't crazy, baby  
I might be tipsy, baby  
But I ain't crazy, baby

I think we need some privacy (Privacy), uh hmm-mm  
She said let's go get some privacy (Privacy)  
We disappear like I'm packing  
An invisibility cloak  
But one more sip  
Before we hit the back door  
It's on sight as soon as we're alone

You see her eyeing me  
The second I walked in, eyeing me  
It felt like she kept finding me  
She choosing, she choosing  
She eyeing me  
Next thing I know she grinding me  
It's 'bout time we get some privacy  
I love me some aggression (Aggression)
