You

Joyce Wrice

(Baby, you) Yeah, yeah
Baby, you (Baby, baby, baby)
Baby, you (Baby, you)
(Baby, baby, you) Baby, baby, baby
Baby, you (Baby, baby)
Baby, you (Baby, you)
(Baby, you)

Got me so confused, I'm down, then I'm not (Baby, you)
Used to put it down at the speed of light (Baby, you)
You're killing me softly, oh-oh (Baby, you)
And when I say to leave, I don't mean it (Baby, you)
Got to treat me right if I take you back (Baby, you)
You know what to say at the right time

I try to fight it, but it's you
Baby, it's you (Baby, you)
Oh, it's you (Baby, you)
I try to fight it, but it's you (Baby, you)
Baby, it's you (Baby, you)
Oh, it's you (Baby, you)
Baby, it's you

Baby, you (Baby, baby, baby)
Baby, you (Baby, baby, baby)
Baby, you (Baby, it's you)
Baby, baby, you (Baby, baby, baby)
Baby, you (Baby, baby, baby)
Baby, you (Baby, it's you)
