Joyner Lucas

Joyner, Joyner, yeah

I might go to jail tonight, might lose it all, I swear (Yeah)  
They want me dead, I got money on my head  
I pray to God every night, hope He answer all my prayers (Joyner, Joyner, Joyner)  
Said whatever goes down, niggas better know I'm prepared (Joyner, Joyner, Joyner, brrah, grrah)  
To cause a riot (Buck, buck)  
A riot (Buck, buck, buck, buck)  
Hope you know that I ain't scared to cause a riot (Grrah)  
A riot (Buck, buck, buck, buck)  
I got some hitters on they head to cause a riot

I know I'd probably be in a cell tonight, but fuck it, I'm makin' it count  
I bet the judge revokin' my bail tonight, but fuck it, I'm takin' you out  
I know I should've just stayed in the house 'cause I'ma get mad again (Ayy)  
I roll up all up on every ho that runnin' they mouth like, "Nigga, what's hatnin'?" (Grrah)  
If I don't get rich, I'll be dead or in prison  
Straight out the mud, I done came out the trenches (Ayy)  
I needed the millions, I had me a vision  
Ain't wanna be like you, I had to be different (Yeah, yeah)  
'Cause some niggas dream but don't know how to get bitches (Joyner, Joyner)  
And my worst fear's goin' back to beginnin', I swear I ain't feel that in a minute  
And, woah  
I got an evil streak (What?)  
I never been number one, but fuck it, I'm right where I need to be (What?)  
I know that God is with me as long as I got on my Jesus piece (For real)  
I hope that God be with you whenever I carry that heat with me (Brr, brr, brr)  
You know I'm a, woah (Damn)  
I got the streets with me (Yeah)  
But niggas are scavengers, you know I grew up with savages (Ayy, ayy, ayy)  
I light up the city and blast this bitch  
Give a new meanin' to blasphemous (Grrah)  
Yeah, I'm 'bout to give 'em my ass to kiss  
To give 'em that shit I had to give, Joyner (Brrah)

I might go to jail tonight, might lose it all, I swear (Joyner)

Why does my peace keep gettin' disturbed?

I told myself, if I never get rich by the time I hit thirty, I'm goin' to jail (Buck, buck, yeah)

Start up a riot and load up the steel  
Aimin' at anybody, hopin' I feel  
Woah (For real)  
We ain't got nothin' to lose (What?)  
I don't trust niggas who keep it a hundred, just keep it a hundred and two (What?)  
So many fake niggas lately, I'm startin' to feel like ain't nothin' is true (Buck, buck, buck, buck)  
All eyes on me when I'm winnin' and I see the hate when I come in the room (Brrah)  
Question, how do I move in a room full of knows?  
Guess I wouldn't know  
It's hard to be faithful, there's too many hoes  
I'm on the streets, there's too many roads (Yeah)  
Shout out to niggas who stuck to my toes (Shout out to niggas who stuck to my toes, buck, buck, buck)
