

787 Dreamliner

Joywave

Towel and a pillow
Recline by the window
Chips and a small coke
Touchscreens playing old shows

'Cause I'm feeling dizzy just from the view
Got another six lives to lose
Before my final descent is through
Before I find my way back to you

News from ground control
Smooth air flowing below
A drink. Make it ice-cold
A headache, but for tomorrow

'Cause I'm feeling dizzy just from the view
Got another six lives to lose
Before my final descent is through
Before I find my way back to you

Emergency documentation in back of seat
Aircraft exit information in French, non merci
Detailed instructions on the card written in Japanese
I do not recognize the characters unless they're me

'Cause I'm feeling dizzy just from the view
Got another six lives to lose
Before my final descent is through
Before I find my way back to you
