

Every Window Is A Mirror

Joywave

Basking in the blue glow
All the copy-pasted housing in a row
When everything is airtight
And energy-efficient, up to code

Yeah, every window is a mirror
Yeah-yeah-yeah, yeah, every window is a mirror
Yeah-yeah-yeah, yeah-yeah-yeah, yeah-yeah-yeah

Breathing in the cool air
Conditioned for your comfort, built to last
Humming with approval
But living carbon neutral fogs the glass

Yeah-yeah-yeah, yeah, every window is a mirror
Yeah-yeah-yeah, yeah, every window is a mirror
Yeah-yeah-yeah, yeah-yeah-yeah, yeah-yeah-yeah

Everything that you thought, confirmed
Every fear you had lost returns
A film that you just can't wash has emerged
But you cleanse, you cleanse, you cleanse

Yeah, every window is a mirror
Yeah, every window is a mirror
Yeah-yeah-yeah, yeah, every window is a mirror
Yeah-yeah-yeah, yeah, every window is a mirror
Yeah-yeah-yeah, yeah-yeah-yeah, yeah-yeah-yeah
