

Goodbye Tommy

Joywave

Tommy went down to the discotheque
That was his only crime
Tommy went out to dance the last time

Tommy went down to the discotheque
Bravest little guy I know
Tommy went out to catch the late show

But it all went wrong
Now the innocent are gone

Goodbye Tommy, you'll be missed
Cherish the last three kisses on your lips
Oh Tommy, oh Tommy
Goodbye Tommy, aches like this
And the flashbulb light and nothing missed
Oh Tommy, oh Tommy

Tommy went down to the discotheque
Bravest little guy I know
Tommy went down to the discotheque
Oh, whoa

And it all went wrong
Haven't seen him in so long

Goodbye Tommy, you'll be missed
Cherish the last three kisses on your lips
Oh Tommy, oh Tommy
Goodbye Tommy, aches like this
And the flashbulb light and nothing missed
Oh Tommy, oh Tommy

She waits by the phone
She waits by the phone
She waits by the phone
But he ain't calling anymore

She waits by the phone
(Goodbye Tommy, you'll be missed)
She waits by the phone
(Cherish the last three kisses on your lips)
She waits by the phone
Oh Tommy, oh Tommy
She waits by the phone
(Goodbye Tommy, aches like this)
She waits by the phone
(And the flashbulb light and nothing missed)
She waits by the phone
Oh Tommy, oh Tommy
