Possession

Joywave

When I was younger you could try on each other
You could turn on one another for fun
But those days are over yeah the light is getting shorter
And I'm measuring my weight in tons

Pick me up now
Push me back down
Knock me around
Make it sting

Pick me up now
Push me back down
Knock me around

So I want to fall into your web
Until I lose all consciousness

Am I a letdown?
Am I a bore now?
Am I a letdown?

When I was younger you could try on a lover
I was free as I wanted to be
No net for safety and nobody who could make me
But I've seen what I wanted to see

So I want to fall into your web
Until I lose all consciousness

Am I a letdown?
Am I a bore now?
Am I a letdown?

So I want to fall into your web (falling into your web)
Until I lose all consciousness (losing all consciousness)
So I want to fall into your web (falling into, falling into, in to your web)
Until I lose all consciousness (until I lose, until I lose all consciousness)

Am I a letdown?
Am I a bore now?
Am I a letdown?
