It took a minute to see
Better pinch myself make sure im awake
Calling out farewell to ground control
Oh no, we've been so small on a blue wild world
They were yelling if all of this just ends
Digging ourselves holes

Do you realize?
We're the only ones who will survive
Do you realize?
That fourtunate to be alive
To be, to be alive
Alive
Alive
Alive
Alive
Alive
Alive
Alive
Alive
Alive
Alive
