

# Cheerleader

JP Cooper

Hangin' up my boots now  
Gonna put some roots down, baby  
We got something good  
In a world gone crazy  
Give me your hand, I'm never gonna let go  
Here in you arms, I finally feel at home

Take my heart, take my coat, honey  
I'll be laughin' when your jokes ain't funny  
I'm the only cheerleader that you'll ever need  
Take my name, put yours in front of it  
Darling, you can even take my wallet  
I'm the only cheerleader that you'll ever need

You know I made my mind up  
Sorry, darling, you're stuck with me  
Talking to your father  
Asking for his blessing  
I wanna tell the whole world, sing it from the rooftops  
This is your love song, are you gonna sing along

Take my heart, take my coat, honey  
I'll be laughin' when your jokes ain't funny  
I'm the only cheerleader that you'll ever need  
Take my name, put yours in front of it  
Darling, you can even take my wallet  
I'm the only cheerleader that you'll ever need

So gimme love, gimme love  
Give me your love  
Gimme love, gimme love  
Give me your love  
Gimme love, gimme love  
Give me your love

So gimme love, gimme love  
Give me your love  
Gimme love, gimme love  
Give me your love  
Gimme love, gimme love  
Give me your love

Take my heart, take my coat, honey  
I'll be laughin' when your jokes ain't funny  
I'm the only cheerleader that you'll ever need  
Take my name, put yours in front of it  
Darling, you can even take my wallet  
I'm the only cheerleader that you'll ever need
