

# Good Friend

JP Cooper

I remember when we used to live like a dream  
Baby, I've been feeling like I'm swimming upstream  
Never thought you'd still be swimming with me  
Anytime I feel like I was breaking down  
Didn't even pick the phone up, but you came around  
That's the kind of thing I took for granted back then

My, oh, my, I got a good friend  
My, oh, my, I got my own disciples here  
Got my whole family  
My, oh, my, I got a good friend  
My, oh, my, I got my own disciples here  
Got my whole family  
My, oh, my

Yesterday I woke up in a bad way  
If I didn't have you, I'd be losing my faith  
Never did you stop believing in me  
When they got me feeling like my life was a joke  
You'd be at the window with a bucket of hope  
That's the kind of thing I took for granted back then

My, oh, my, I got a good friend  
My, oh, my, I got my own disciples here  
Got my whole family  
My, oh, my, I got a good friend  
My, oh, my, I got my own disciples here  
Got my whole family  
My, oh, my

Good friend  
My, oh, my, I got a good friend

Since you shared your smile with me  
Since then, I can finally smile with you  
I can't help but shine today  
Oh, when you showed your light on me, brother  
I can finally see further  
Just lift up your hands and say

My, oh, my, I got a good friend  
My, oh, my, I got my own disciples here  
Got my whole family  
My, oh, my, I got a good friend  
My, oh, my, I got my own disciples here  
Got my whole family  
My, oh, my, I got a good friend  
My, oh, my, I got my own disciples here  
Got my whole family  
My, oh, my

My-my-my, oh, my  
My-my-my, oh, my  
My-my-my, oh, my  
Got my whole family  
My-my-my, oh, my  
My-my-my, oh, my

My-my-my, oh, my
