

# Perfect Strangers

JP Cooper

You were looking at me like you wanted to stay  
When I saw you yesterday  
I'm not wasting no time, I'm not playing no games  
I see you, oh-oh

Who knows the secret tomorrow will hold?  
We don't really need to know  
'Cause you're here with me now, I don't want you to go  
You're here with me now, I don't want you to go

Maybe we're perfect strangers  
Maybe it's not forever  
Maybe the night will change us  
Maybe we'll stay together  
Maybe we'll walk away  
Maybe we'll realize  
We're only human  
Maybe we don't need no reason  
Maybe we're perfect strangers  
Maybe it's not forever  
Maybe the night will change us  
Maybe we'll stay together  
Maybe we'll walk away  
Maybe we'll realize  
We're only human  
Maybe we don't need no reason why  
Come on, come on, come over  
Maybe we don't need no reason why  
Come on, come on, come over

No one but you got me feeling this way  
There's so much we can't explain  
Maybe we're helping each other escape  
I'm with you, oh

Who knows the secret tomorrow will hold?  
We don't really need to know  
'Cause you're here with me now, I don't want you to go  
You're here with me now, I don't want you to go

Maybe we're perfect strangers  
Maybe it's not forever  
Maybe the night will change us  
Maybe we'll stay together  
Maybe we'll walk away  
Maybe we'll realize  
We're only human  
Maybe we don't need no reason  
Maybe we're perfect strangers  
Maybe it's not forever  
Maybe the night will change us  
Maybe we'll stay together  
Maybe we'll walk away  
Maybe we'll realize  
We're only human  
Maybe we don't need no reason why  
Come on, come on, come over

Maybe we don't need no reason why  
Come on, come on, come over  
Maybe we're perfect strangers  
Come on, come on, come over  
Maybe we don't need no reason why  
Come on, come on, come over

Maybe we're perfect strangers  
Maybe it's not forever  
Maybe the night will change us  
Maybe we'll stay together  
Maybe we'll walk away  
Maybe we'll realize  
We're only human  
Maybe we don't need no reason why
