

She's on My Mind

JP Cooper

She's on my mind, she's on my mind
She's on my mind, she's on my mind
I can't sleep at night
'Cause she ain't by my side

I've seen a lot of pretty faces
Ain't nobody like you
And I've never had a love like
The one we knew
Tell me why I had to play the clown
Always messing around
Can't stop thinking how I let you down, down, down

She's on my mind, she's on my mind
She's on my mind, she's on my mind
I can't sleep at night
'Cause she ain't by my side
She's on my mind, she's on my mind
She's on my mind, she's on my mind
I can't sleep at night
'Cause she ain't by my side

I can't sleep at night
'Cause she ain't by my side

My friends say that she's a keeper
But I let her go
Didn't know how much I need her
'Til I was on my own
I've been drinking but the truth won't drown
No, the truth won't drown
Bad medicine won't go down, down, down

She's on my mind, she's on my mind
She's on my mind, she's on my mind
I can't sleep at night
'Cause she ain't by my side
She's on my mind, she's on my mind
She's on my mind, she's on my mind
I can't sleep at night
'Cause she ain't by my side

Ooh, the cover's over
If I could dream I'd hold you
Can't stop thinking, am I even
On your mind
Now, the nights are colder
Miss you on my shoulder
Miss you there on my cheek
Every night

She's on my mind, she's on my mind
She's on my mind, she's on my mind
I can't sleep at night
'Cause she ain't by my side

She's on my mind, she's on my mind

She's on my mind, she's on my mind
I can't sleep at night
'Cause she ain't by my side
She's on my mind, she's on my mind
She's on my mind, she's on my mind
I can't sleep at night
'Cause she ain't by my side

Ooh, the cover's over
Miss you on my shoulder
Miss you there on my cheek
Every night
She's on my mind, she's on my mind
She's on my mind, she's on my mind
I can't sleep at night
'Cause she ain't by my side
