

# The Reason Why

JP Cooper

(Yeah, Banx & Ranx)

Oh I, I feel like I can be myself with you  
All these feelings came out of the blue  
I found love, I'm lost in your perfume  
It takes me over

Oh, won't ya come closer?  
Your head on my shoulder  
Can't keep my composure  
Not gonna lie

Sugar, don't you know that you the reason why  
Why I get up in the morning  
It's the sugar in your love and you're the reason why  
I'm addicted to you, darling  
We ain't even sleepin', we be up all night  
Making love until the morning  
Sugar, don't you know that you the reason why  
The reason why  
The reason why  
The reason why  
Be the reason why

Yuh know seh yuh get anyting weh yuh want  
You nuh beg, you nuh borrow, you nuh fear none at all  
See, the love weh mi give yuh make nuff man come like war  
You have my body just ah rev like a car

You know seh mi ready fi di jet  
Anytime mi step, ready fi di ting fi connect  
Lond di big ting pon de set  
Grab up me neck, bawl, mi ah bawl, mi ah bawl

Oh, won't ya come closer? (Closer)  
Your head on my shoulder (Tonight)  
Can't keep my composure  
Not gonna lie

Sugar, don't you know that you the reason why  
Why I get up in the morning  
It's the sugar in your love and you're the reason why  
I'm addicted to you, darling  
We ain't even sleepin', we be up all night  
Making love until the morning  
Sugar, don't you know that you the reason why  
The reason why  
The reason why  
The reason why  
Be the reason why  
(I get up in the morning))

Oh, won't ya come closer? (Closer)  
Your head on my shoulder (Tonight)  
Can't keep my composure  
Not gonna lie

Sugar, don't you know that you the reason why  
Why I wake up in the morning  
It's the sugar in your love and you're the reason why  
I'm addicted to you, darling  
We ain't even sleepin', we be up all night  
Making love until the morning  
Sugar, don't you know that you the reason why  
The reason why  
The reason why  
The reason why  
Be the reason why  
(I get up in the morning)
