

Too Close

JP Cooper

You showed up at my doorway in a black dress
Crying and I know you're not an actress
You said you didn't know where else to go
You said you knew I wouldn't say no

We know it's not the first time this has happened
Be lying if I said there's no attraction
We've been doing this dance for so long
And I don't want this to go wrong

You sit by my side at last
Look me in the eye as you're taking my glass
Out of my hand, did you really do that?
Careful now, are we moving too fast?

Oh, oh, something's gonna happen if we get too close, yeah
Oh, I don't know how you do it, but my heart's wide open

I feel my tippy-toes over the edge
And I ain't looking back over my shoulder
Ain't got no parachute but I'm okay
Something's gonna happen if we get too close, yeah

Forget about the devil on my shoulder
I think I got an angel on my sofa
That's why my hands are shaking
It's been ten years in the making

You're here by my side at last
Look me in the eye as you're taking my glass
Out of my hand, did you really do that?
Careful now, are we moving too fast?

Oh, oh, something's gonna happen if we get too close, yeah
Oh, oh, I don't know how you do it, but my heart's wide open

I feel my tippy-toes over the edge
And I ain't looking back over my shoulder
Ain't got no parachute but I'm okay
Something's gonna happen if we get too close, yeah

No, I'm not looking back over my shoulder
(Oh, oh)
No, I'm not looking back
I'm not looking back
I'm not looking back

Oh, oh, something's gonna happen if we get too close, yeah
Oh, oh, I don't know how you do it, but my heart's wide open

I feel my tippy-toes over the edge
And I ain't looking back over my shoulder
Ain't got no parachute but I'm okay
Something's gonna happen if we get too close, yeah
Something's gonna happen if we get too close, yeah
