

# Bring 'Em Here

J.P.

Ayy

Shit, I remember being broke  
Had to ration all my shit, niggas thought it was a joke  
But now they see me living  
And now they wanna ask me for my digits  
Hey, but nigga, I ain't going for the bitch if she can't suck somethin'  
Hey, baby, I'm a freak, I'm tryna fuck you and a plus one  
Hey, bitch, I'm poppin' hoes like a Glock, bitch, I'm one up  
If you bringing two bad bitches, know I fucked one

You and your friends tryna fuck, bring 'em here  
You and your friends tryna fuck, bring 'em here  
Ayy, you and your friends tryna fuck, bring 'em here  
You and your friends tryna fuck, bring 'em here

Ayy, ayy  
You and your friends tryna fuck, bring 'em here  
Oh, I guarantee that I'ma fuck a bad bitch  
Drowning in her walls like TK Kravitz  
Mmm, goddamn, that ass fat, let me grab it  
Oh, and I can feel it in the air, I'm finna beat somethin'  
Put the bitch face down on the bed, I'ma treesh somethin'  
Ayy, and I got the Uber coming fast when I get some  
Ayy, baby, ain't no cars, bitch, we pull up in the black truck and ride

You and your friends tryna fuck, bring 'em here (Bring 'em here)  
You and your friends tryna fuck, bring 'em here  
Ayy, you and your friends tryna fuck, bring 'em here  
You and your friends tryna fuck, bring 'em here
