

It's Yo Time

J.P.

Everywhere, I'll follow you

Ayy, I was a young nigga, pickin' up Glocks, tryna bust niggas
I would, nigga, niggas already knowin' what's up with 'em
Ayy, bitch, but I can't fall off and it's all on me
Ayy, and who the fuck gon' take care of my moms?
I'll fix myself up 'fore I bust a bitch down
Shit, they sayin', "It's your time, don't miss it"
I put the old shit behind me and cleared out my mind, tried to
make time for the vision
Ayy, my lil' bitch, she a dime, when I pull up outside, she gon'
' come ride this dick
Ayy, and I'm gon' pull off 'cause it's all on me
And I'm gon' pull off 'cause it's all on me

Ayy, shake it for the team, shake it for the fiend
You know my name, lil' bitch, it's J.P.
Hit the bitch from the back, I'm a smackdown king
Can't no broke nigga go rack for rack with me
Bitch, I'm player as a bitch, you know I always been P
I don't know too many young niggas fuckin' with me
Lay back in the fin while I'm countin' these G's
Nigga want me on the song, then you gotta pay the fee
I say, oh my, daddy, ayy, oh my

Ayy, I was a young nigga, pickin' up Glocks, tryna bust niggas
I would, nigga, niggas already knowin' what's up with 'em
Ayy, bitch, but I can't fall off and it's all on me
