

My Fault

J.P.

Girl, it's my fault, and I'm sorry
I know I forgot to call you
Girl, it's my fault, and I'm sorry
I know I forgot to call you

You the only one that gives me a promise to stay here
I know you heard that I was a player
And don't listen to your friends, they don't know me
I'm sorry if I made you feel lonely
So if you want, I'll go
Pack my shit up and leave, ayy
Sittin' down on the block with a head full of thoughts while I'm rolling my weed
But I know you a ho, don't get mad at me
Mmh, you was schemin' on the low but I kept it real and I kept it P
You the only one that gives me a promise to stay here
I know you heard that I was a player
And don't listen to your friends, they don't know me
I'm sorry if I made you feel lonely
So if you want, I'll go
Pack my shit up and leave, ayy
Sittin' down on the block with a head full of thoughts while I'm rolling my weed
But I know you a ho, don't get mad at me
Mmh, you was schemin' on the low but I kept it real and I kept it P

Girl, it's my fault, and I'm sorry (My fault, and I'm sorry)
I know I forgot to call you
Girl, it's my fault, and I'm sorry (My fault, and I'm sorry)
I know I forgot to call you

Mmh, girl, my bad, I ain't try to make you mad (Woo-hoo)
Mhm, girl, my bad, I ain't try to make you mad (Girl, I wouldn't do it)
And I'm truly, I can prove it
I don't know what I would do if
You would leave me with the booty
If I left you, then I'd be a fool

You the only one that gives me a promise to stay here
I know you heard that I was a player
And don't listen to your friends, they don't know me
I'm sorry if I made you feel lonely
So if you want, I'll go
Pack my shit up and leave, ayy
Sittin' down on the block with a head full of thoughts while I'm rolling my weed
But I know you a ho, don't get mad at me
Mmh, you was schemin' on the low but I kept it real and I kept it P

Girl, it's my fault, and I'm sorry (My fault, and I'm sorry)
I know I forgot to call you
Girl, it's my fault, and I'm sorry (My fault, and I'm sorry)
I know I forgot to call you
