

Oh Yeahhh

J.P.

Yes, sir, oh, yeah
You ain't know I get down with the get-down
Hey, baby, I'm a player-ass nigga with some G's
Ooh, hit the bitch from the back, she gon' scream out loud
Yes, sir, oh, yeah
You ain't know I get down with the get-down
Hey, baby, I'm a player-ass nigga with some G's
Ooh, hit the bitch from the back, she gon' scream out loud

Hey baby, I'm a bad bitch, mad man
Ooh, goddamn, that ass fat, let me grab it
I know you wanted me all alone, I know
So you can lie to your friends when you layin' in bed
Baby, I tried to be real but you runnin' away from me
Instead of gettin' down on me

Yes, sir, oh, yeah
You ain't know I get down with the get-down
Hey, baby, I'm a player-ass nigga with some G's
Ooh, hit the bitch from the back, she gon' scream out loud
Yes, sir, oh, yeah
You ain't know I get down with the get-down
Hey, baby, I'm a player-ass nigga with some G's
Ooh, hit the bitch from the back, she gon' scream out loud

And bae, I'm different, I don't fit into the crowd
Ayy, fucked a bad bitch, I done watch him knock her down
No lie, no fakin'
If your bitch look at me I'ma take her away from you
I'ma make your bitch say, "Ooh"
And make a bitty throw it for the crew
Baby, you ain't gotta tell me 'cause I know

Yes, sir, oh, yeah
You ain't know I get down with the get-down
Hey, baby, I'm a player-ass nigga with some G's
Ooh, hit the bitch from the back, she gon' scream out loud
Yes, sir, oh, yeah
You ain't know I get down with the get-down
Hey, baby, I'm a player-ass nigga with some G's
Ooh, hit the bitch from the back, she gon' scream out loud

Say shit, yap, yap, yap
Ayy, like, ooh, yap, yap, yap
Baby, shake some, yap, yap, yap
Ayy, yap, yap, yap
Eli, play it back
