If your bitch look too long, then she took, nigga (Ooh)  
I got cash, hit a bitch with a book, nigga  
Young nigga vet, I ain't never been a rook, nigga  
More cheddar, I got twenty at the door for ya  
Lil Bobby, I need Gs  
I'm tryna make a bitch move  
Baby, come and shake it for the team  
She gonna shake it for the Gs, she a fiend  
Now baby, turn around, lemme see you buss it down

Hey, watch I come through hittin' shit like a halfback  
Shit, I don't know her, I'ma fuck her 'cause her ass fat (Oh my God)  
She think I don't know that bro already smashed that  
So I'ma keep playing it dumb until I grab that  
You a stupid goofy, not the number one contender  
No, we can't bring you out the house 'cause you tender  
Have you ever bent that bitch back like she limber?  
I don't argue 'cause a nigga got a temper  
Hotshot player, you would think I'm in the playoffs  
That's a switch and it'll take your whole face off  
Send a nigga home like it was his day off  
How I get a nigga CashApp and a PayPal?  
Hate 'cause you a ham, I don't eat Spam  
Send him to the door  
Nigga, I put shit in motion, I ain't ever wanna score  
Damn, you a hounder, I ain't answering your calls  
These nigga's break a bitch knees tryna walk, you gon' fall  
Damn, I used to be a lame  
Now I pull up droppin' bitches out they booty tang  
I still shoot the last shot like my nigga Dame  
Nigga you a rookie, I'm a vet, you don't know the game  
Bitch, you dealin' with somethin' like a player  
You a stupid goofy tryna cuff a Jay-er  
'Bout to bring your bitch around me 'cause I'ma take her
