Nobody got time for that

One time for the young, dance every week  
Saw you in my bed, I know you want it bad  
Girl, you want my body, know you're such a hottie  
I don't wanna fuck you, I just wanna love you, baby

S.O.S, take all my taxes, baby, I'm not stressed  
I'm gonna catch you, baby, hide and seek  
I'm gonna snatch you, baby, oh my God  
I got the special, baby, sex on the beach  
And I been downtown, I'll ask you, baby  
Fuck BET, and I you gon' change that channel, baby  
Oh my lord, maybe I'll catch the next stop  
When I hit those streets, you gon' be my ex-girl baby

Girl, you're so sexy, why you wanna sex me?  
Heard you wasn't bi, had to tell you bye  
I've seen you at a show, I treat you like a hoe  
Baby, I'm so thirsty, I want you in the worst way, baby

Uh huh, take all my taxes, baby  
I don't know, when I'm gonna catch you, baby  
Fuck your man, I got a passion, baby  
Ride downtown with the niggas  
And I see you with your fashion, baby  
Who did you love that I gotta shake hands with?  
Who did you love that I gotta make plans with?  
If I can't stand it, I can't stand it  
Girl, I'm a bastard, I'm Manson  
Baby, I'm rancid', get the street nigga passion  
I can be an assassin, baby, I'm the man with the (uh)  
I should be in a casket

"Side chick, side chick, side chick, side chick
