Uh, beefing with bums, I just rap for a hobby, huh (Uh)
Millions of views, not bad for a commie, huh? (Uh)
Yeah, your IG threats can't stop me (Stop me)
Show me that face, girl, take off the proxy (Take off the proxy)
I pray that your ears grow up, (Grow up) and I wish you the best in y
our hobbies
(Huh, huh, huh, huh)
How the fuck you this way? Now you switched up and I don't believe it
(Don't believe it)
One hand in the air, feelin' like Dikembe when I block the demons (Bl
ock the demons)
Don't matter who sent, don't matter where it went
I just can't stop the bleeding, yeah (Nah)

I was struggling, babe (Struggling)
Not with the money and not with the fame (Fame)
All of my bitches they control me with shame
Take down the IP, look at the hate (Hate)
Blood, sweat, tears, working in vein (Vein)
Seven pounds, everything bright they throw me I shade (Shade)
Where there's dick, there's pussy, there's profit (What else?)
These are the choices that you gotta make (Wait, wait)

Wait, (Wait), wait, (Wait), wait
How could you hate?
Beating up barriers, fucking up odds (Ay)
Y'all can't see, big Peggy, no mas (Ay)
Beats on deck, no help, no mods
Ya know I look up to these stars
Sike, I'm on the ground with the Gods
I act like a dick 'cause they treat me like Todd (Hah)
I don't hear none of you, I'm in front of you (Woah)
My lyrics trouble you, They confronting you (Go on)
How did I did that? You don't wanna knew
Step when I pop out (Bloaw)
A good son will do anything it takes to make it exist
Musical risk, we upping the switch
Brrt! Brrt! (Hah)
