Jpegmafia

Said, "Baby, it's all"  
And we're way on  
Say, "We'll all be feelin', we'll all be feelin', can you feel?  
"  
I'm so sad to be such a negative, a negative refugee  
This, uh, uh

At the end of the day, I know your bitch-ass ain't gon' fade  
Can't let these niggas talk to me, no fuckin' way  
It's so sad to me, these boys so make-believe  
Shoutout my refugees, your fans just, uh
