Apology-zoned

Don't feel better  
Huh, huh, huh, woah  
All night, all day, hah

I wanna rock your world, I wanna be your girl  
You wanna take me out yeah, take me out, huh  
They ain't never take me down, bitch (Hell no)  
They ain't never take my crown, bitch

Grown rat, case basket  
With white shooters like the old Mavericks, it's real  
Just in case you thought it wasn't  
(That's like so amazing)

I, I, I wanna rock your world, I wanna be your girl  
You wanna take me out yeah, take me out, huh
