

# For Me Or Against Me

JR Castro

Uh  
It's been three years now  
Ever since I met ya, oh-oh  
Don't feel like we're older  
But we ain't gettin' no younger  
Still there's a question that remains the same  
Are you all the way down for me?  
Yeah

'Cause I don't wanna second guess us  
Pray to God he bless us  
Have mercy on this relationship  
I believe in you and me  
Would you look at the essence  
Yeah, we got so much equity  
Before we move on  
And get even closer  
Let's be honest right now  
Look at me dead in the face  
Tell me somethin'

Either you for me, babe  
Or against me  
'Cause I don't wanna wake up feelin' unsure  
Either you're rollin', ooh  
Or get rolled over  
'Cause I don't wanna ride if you don't want more  
Are you for me or against me?

February 14th didn't seem to be good enough, no  
Ooh, flew in from overseas so I wouldn't screw it up, yeah  
Bought you flowers, [?], and candy  
We ate at your favorite restaurant  
By the end of the night, you still cried  
Yes, you did

I don't wanna second guess us  
Pray to God he bless us  
Have mercy on this relationship  
I believe in you and me  
Would you look at the essence  
Yeah, we got so much equity  
Before we move on  
And get even closer  
Let's be honest right now  
Look at me dead in the face  
Tell me somethin'

Either you for me, babe  
Or against me  
'Cause I don't wanna wake up feelin' unsure  
Either you're rollin', ooh  
Or get rolled over  
'Cause I don't wanna ride if you don't want more  
Are you for me or against me?
