

Rock Wit 'Cha

JR Castro

Now that you are here with me
Baby, let's do it right
Lady, you know just what I need
I want to hold you, oh, so tight
Baby, just touch me anywhere
Cause cutie, you turn me on, ooh
I'd like to run my fingers through your hair
So come on and stay with me all night

I wanna rock with'cha, baby
All night long
I wanna roll with'cha, lady
Feeling's so strong
I wanna rock with'cha, baby
All night long
Rock and roll and roll and rock
Makin' sweet love, don't you ever stop
Oh my love, yeah

How about a little music now
Let's hear some Marvin Gaye, yeah
Ooh, let me rub your shoulders down
Let's dance the night away, yeah
Feel your heart beating next to mine
Now baby, I'll make you feel nice
I think I can tell what's on your mind
I know I can make it right

I wanna rock with'cha, baby
Girl, all night long
I wanna roll with'cha, lady
The feeling's so strong
I wanna rock with'cha, baby
All night long
Rock and roll and roll and rock
Makin' sweet love, don't you ever stop, oh girl yeah

I wanna rock I wanna rock girl
I wanna rock I wanna rock girl
I wanna rock I wanna rock girl
