

Gravity

Jr. George Tandy

Fall down, know exactly why your here
Fall down, baby. Fall down exactly why your here
Fall down baby
Call me gravity, fall down right here call me gravity
Fall down call me gravity. Fall down right here
Just call me gravity. Fall down, wish you would.
Fall down babe

Fall down you know exactly why your here
Fall down babe
Fall down exactly why your here
Fall down baby. Call me gravity
Fall down right here. Just call me gravity
Fall down. wish you would. Fall
Call me gravity. Fall down right here
Call me gravity. Fall down wish you would
Fall down babe!

Fall down, you know exactly why your here
Fall down baby
Fall down exactly why your here
Fall down baby
Call me gravity, fall down right here
Just call me gravity, fall down wish you would (call me gravity
)
Fall down, wish you would (just call me gravity)
Fall down, wish you would, fall down babe!
