

Higher

Jr. George Tandy

I ain't your man, but I am your rock
I s-substitute when your number one can't get you hot
I hold the key to your love box
Slip open drip soak and drop down to your socks
I ain't your winner but I stay on top
When I s-sip the honey from your tummy while you watch

I know your roads, I am the cops
So put-put 'em up, get 'em up higher (your legs)
Higher, higher

Get 'em up, put 'em up
Show me how deep your love goes
Get 'em up, put 'em up
Go 'head and make some room for me
Get 'em up, put 'em up
Take me where he don't want to go
Get 'em up, put 'em up
Take me where he probably can't reach

Put 'em up
Higher, higher, higher, higher
Higher, higher, higher, higher
Higher, higher, higher, higher
Higher, higher, higher, higher

I ain't your valentine, but I am that dude
When I st-stimulate your inhibitions through and through
I learned your language, I re-rescue you
When I s-search for subtle ways to make you break your rules
I know your limits and all the truth

So put-put 'em up, get 'em up higher (your legs)
Higher, higher

Get 'em up, put 'em up
Show me how deep your love goes
Get 'em up, put 'em up
Go 'head and make some room for me
Get 'em up, put 'em up
Take me where he don't want to go
Get 'em up, put 'em up
Take me where he probably can't reach

Put 'em up
Higher, higher, higher, higher
Higher, higher, higher, higher
Higher, higher, higher, higher
Higher, higher, higher, higher

You could call me your go-getter
That's right, your middle man
Uh-huh, your heat seeker
That's right, your missile man
Your fire starter, the rain man
Cause I mesmerized you
That's why you comin' again

And again and again
And again and again
Plus you're flexible,
You get a hell of a pay
So while I'm having you framed
You're callin' my name
Unbelievable sex, you're unbelievable

Higher, higher, higher, higher
Higher, higher, higher, higher
Higher, higher, higher, higher
Higher, higher, higher, higher
