

Big Bear Mountain

JR JR

Maybe things will get better on their own
We can leave behind the parts we've outgrown
Maybe it's perfect how it ends and no matter what you do
You don't get to write the story, you just get to read it through

Climb it up on big bear mountain
Hear me shouting please remember us
Through empty valleys and open canyons
Hope to heaven, you'll please remember us
Please remember us

Maybe if you don't try so hard you'll find
You can cheat the heart, but you can't cheat time
We all try to be persistent and it plays us all for fools
You don't get to stay forever, you just get to pass on through

Climb it up on big bear mountain
Hear me shouting please remember us
Through empty valleys and open canyons
Hope to heaven, you'll please remember us
Please remember us
Please remember us

How much can you get for what you're spending
Might want to learn to let it go

Climb it up on big bear mountain
Hear me shouting please remember us
Through empty valleys and open canyons
Hope to heaven, you'll please remember us
Please remember us
Please remember us
