

This Side Of Paradise

JR JR

We're in motion
In the open
Tonight
I'm a mystic
Into mischief
We'll alright
Alright

I only wanna be with you
And I'm hoping that you feel it too
It's almost like a dream come true
Come true, come true

Hands up in the moonlight
Dancing all through the night
I like what it sounds like
Keep it going, keep it tight

This side of paradise
This side of paradise

What's the pattern
In the chatter
Tonight
It's a big mob
You're a heartthrob
We'll alright
Alright

And I only wanna be with you
And I'm hoping that you feel it too
It's almost like a dream come true
Come true, come true

Hands up in the moonlight
Dancing all through the night
I like what it sounds like
Keep it going, keep it tight

This side of paradise
This side of paradise

Hands up in the moonlight
Dancing all through the night
I like what it sounds like
Keep it going, keep it tight

This side of paradise
This side of paradise

This side
This side
This side
This side of paradise
