

## We Almost Lost Detroit

JR JR

It stands out on a highway  
Like a Creature from another time  
It inspires the babies' questions  
For their mothers as they ride  
But no one stopped to think about the babies  
Or how they would survive

And we almost lost Detroit  
This time. This time  
We almost lost Detroit  
This time. This time  
Yeah we almost lost Detroit

Just thirty miles from Detroit  
Stands a giant power station  
And it ticks each night as the city sleeps  
Seconds from annihilation  
Oh, But no one stopped to think about the people  
Or how they would survive

And yeah we almost lost Detroit  
This time. This time  
Yeah we almost lost Detroit  
This time. This time  
And we almost lost Detroit  
This time. This time  
And we almost lost Detroit  
This time. This time  
And we almost lost Detroit
