

## Bye-Bye

JS

We can't even be friends  
Cause everytime I see you  
We be doing things that we should not be doing  
Cause boy you got a girlfriend (girlfriend)  
Even though the sex is so damn good  
I feel so bad  
Gotta try my best to resist it

What am I doing here? (That's what I ask myself)  
Cause everytime I see my face in the mirror  
(I see me and you and someone else)

Now your love it gets me high  
And I don't wanna let you go  
But I got to say bye-bye, baby

Now your love it gets me high  
And I don't wanna let you go  
But I got to say bye-bye, bye baby

We can't even hang out  
Cause boy the more we kick it  
The more I feel like this is not what its all about  
Boy you're already taken (taken)  
And although I love you  
I hate the fact that she is with you while I play the kickstand

Just being one of your girls won't do (it won't do)  
Cause eventually (eventually)  
I'm a want all of you (I'm a want all of you)  
I just gotta be real with myself (I got to be real)  
Gotta cut it off (oh boy)  
Though its hard for me to brake up with you
