Right Here With Me

JS

What do we do
What do we say
Now that we
Finally want to work things out
So we can fall in love again
Basically spend with me
Night and day
Becuz I need you in my life
So desperately, ohh oh

Really don't wanna fight no more
Let's make it like it used to be (to be)
So in love we have to be together
Everyday (everyday)

It's been a while
Since I seen your face (oh, ho, oh)
I can't believe you're here with me (no)
Right here with me (yeah, yeah)

Look in my eyes
Can't you see the pain (can't you see the pain)
It's over now you're here with me (oh, oh, ohhh)
Right here with me (here with me)

Let's take our time
Talk it out
Cause baby
I don't think we knew each other
Like we think we did
Let's take a walk
Hold hands
We candle
The fire that's been put out
I wanna be the flame again, ooh ohh

Really don't wanna fight no more
Let's make it like it used to be
(let's make it like it use to be)
So in love we have to be together
Everyday (everyday)

It's been a while
Since I seen your face (your face)
I can't believe you're here with me
Right here with me (right here with me)

Look in my eyes
Can't you see the pain (can't you see the pain)
It's over now (oh now) you're here with me
Right here with me (right here with me)

It's been a while (it's been a while, hii, hii)
Since I seen your face
I can't believe you're here with me
Right here with me (right with me)

(Look in my eyes) Look in my eyes
Can't you see the pain
It's over now you're here with me (your here with me)
Right here with me (right here with me)

Whoa oh
Now that you're here we can start over (Oooohhhhh)
Make it even better this time for sure (aahhh, Ooooohhh, ahhhh)

I almost gave up on us but love (Ooooohhhh, ahhhhhh)
Came around for us again (Ooooohhhhhh)
Cause we were meant to be (Oooooohhh, ahhhhh.....)

It's been a while
Since I seen your face
I can't believe you're here with me (I can't believe)
(You're here with me)
Right here with me (right here with me)

Look in my eyes
Can't you see the pain
It's over now (its over now) you're here with me
Right here with me (right here with me)

It's been a while
Since I seen your face (seen ya face)
I can't believe you're here with me
Right here with me (right here with me)

Look in my eyes
Can't you see the pain
It's over now (its over now) you're here with me
Right here with me (right here with me)

Right here with me (right here with me)
Right here with me (So glad you're here with me)
Right here with me (right here with me)
Right here with me (so glad you're here with me, I can't believe)
