

Let's Be Ghosts

JT Hodges

Let's ditch this town tonight, just take off
Kiss it all, all goodbye
Girl don't you think it's time
We made it just, the two of us, for a while

Let's disappear, get away from here
To a place where the world fades away and we're all alone

Baby, let's be ghosts, ghosts
Say the word and we'll roll, roll, to the East or the West, coast
To a place where nobody knows, nobody knows
Baby, let's go, go
Do a champagne toast, toast, in a field of gold, gold
In a place where nobody knows, nobody knows
Let's be ghosts, ghosts

Come fly away with me
We can hide under white, king-sized bed sheets
You and me, you and me

Can disappear, get away from here
To a place where the world fades away and we're all alone
We're all alone

Let's be ghosts, ghosts
Say the word and we'll roll, roll, to the East or the West, coast
To a place where nobody knows, nobody knows
Baby, let's go, go
Do a champagne toast, toast, in a field of gold, gold
In a place where nobody knows, nobody knows
Let's be ghosts, ghosts

Baby let's be ghosts
Oh, let's get lost together

Baby, let's be ghosts, ghosts
Say the word and we'll roll, roll, to the East or the West, coast
To a place where nobody knows, nobody knows
Baby, let's go, go
Do a champagne toast, toast, in a field of gold, gold
In a place where nobody knows, nobody knows
Let's be ghosts, ghosts

Yeah, baby, let's be ghosts
