

Sandman

JT Hodges

I'm the one they call beach bum
I'm a big fan of the sun and fun
Yeah
Yeah

I'm a sucker for a steel drum
A tiki bar and a whole lotta rum
Yeah
Yeah

Beautiful girls by the water
All layin' out getting hotter
89 with a clear blue sky
Yeah, this is who I am

Call me the sandman
Put a goombay in my hand
I'm a palm tree swayin, reggae playing, down by the bayin' kind of guy, oh
Where there's a white beach
You can bet that you'll find me
In a Marley tank top and some old flip flops
Watching waves rock, that's right
Call me the sandman
Call me the sandman

I see the world through a pair of shades
If ya ask me, yeah I got it made
Yeah, yeah
Yeah, yeah

Just living the life, no hassle
I'm the king of this here castle
On island time, sunset sunrise
Yup, this is who I am

Call me the sandman
Put a Goombay in my hand
I'm a palm tree swayin', reggae playing, down by the bayin' kind of guy, oh
Where there's a white beach
You can bet that you'll find me
In a Marley tank top and some old flip flops
Watching waves rock, that's right
Call me the sandman
Call me the sandman

I'm a kick it in the heat, kick it in my bare feet
Kind of man, this is who I am

Call me the sandman
Put a Goombay in my hand
I'm a palm tree swayin', reggae playing, down by the bayin' kind of guy, oh
Where there's a white beach
You can bet that you'll find me
In a Marley tank top and some old flip flops
Watching waves rock, that's right
Call me the sandman
Call me the sandman
