

## Heartbeat

J.Tajor

Show you love and attention  
Ready to go all in, baby, I ain't folding  
Let me pull up, let me slide in, no, I can't hide it  
I keep on going 'cause you got me falling, oh yeah

You're the one, the one that I adore  
The one I'm wanting more, gets me heartbeat racing, yeah  
Right or wrong, I'd do it all for ya  
I'd risk it all for ya, got my heartbeat racing, yeah

You're still, you're- you're- you're still- you're, you're stil  
l on my mind  
You're still, you're- you're- you're still- you're, you're stil  
l on my mind  
You're still, you're- you're- you're still- you're, you're stil  
l on my mind  
You're still, you're- you're- you're still- you're, you're stil  
l on my mind

You're so captivating, persuading, I'm drawn to  
You just got that way, someone I'd give my all to  
Let me be there every night, you've been on my mind  
I'll never leave your side, I know that I'll always find a way  
You know I can't even go to sleep, I'm wide awake  
You run my mind, it's everyday, you're the one I always crave  
I pull through, I will, eyes just like the ocean  
I put my trust and soul in 'cause you're the one I'm holding

You're the one, the one that I adore  
The one I'm wanting more, gets me heartbeat racing, yeah  
Right or wrong, I'd do it all for ya  
I'd risk it all for ya, got my heartbeat racing, yeah

Show you love and attention  
Ready to go all in, baby, I ain't folding  
Let me pull up, let me slide in, no, I can't hide it  
I keep on going 'cause you got me falling, oh yeah

You're the one, the one that I adore  
The one I'm wanting more, gets me heartbeat racing, yeah  
Right or wrong, I'd do it all for ya  
I'd risk it all for ya, got my heartbeat racing, yeah

You're still, you're- you're- you're still- you're, you're stil  
l on my mind  
You're still, you're- you're- you're still- you're, you're stil  
l on my mind  
You're still, you're- you're- you're still- you're, you're stil

l on my mind

You're still, you're- you're- you're still- you're, you're stil

l on my mind
