

# Maybe Love

Juan Karlos Labajo

Maybe love, oh maybe love  
Maybe love, oh maybe love  
Maybe love, oh maybe love  
Just wasn't meant for me

I've been down and I've been up  
And the water's half full in my cup  
But lately it's been crazy  
Tryna find the one for me

I've been looking all around  
Cuz I've been so lost but never found  
And I've just got this feeling  
Oh, this feeling inside of me

Oh, that maybe love, oh maybe love  
Maybe love, oh maybe love  
Maybe love, oh maybe love  
Just wasn't meant for me  
Ohhh no oh...

Yeah yeah  
I don't think I ask for much  
But think I'm running out of luck  
Can you tell, can you tell, can you tell me  
How to find the one for me?

I don't have a lot to lose  
But if I have to beg then I can't choose  
Cuz I got nowhere to go  
Well the answer is it yes or no?

It's maybe love, oh maybe love  
Maybe love, oh maybe love  
Maybe love, oh maybe love  
Just wasn't meant for me

And when I close my eyes at night  
I picture you with me  
And everything's alright

Won't you tell me now  
Is it yes? No? Maybe?  
Oh, oh oh, oh

Maybe love, oh maybe love  
Maybe love, oh maybe love  
Maybe love, oh maybe love  
Just wasn't meant for me

I said maybe  
I don't wanna maybe  
I said maybe, maybe, maybe  
Ohhh Maybe  
Maybe  
I don't wanna maybe  
I said maybe, maybe, maybe

Everything's alright
