

Miss You

Juan Karlos Labajo

Oh how I'd wanna be
With my love so divine
Just you and me
A souls intertwined
Smoke pass by your eyes
What a foggy night
As you put your hand on mine
Chills on my spine

I wanna see the fireworks with you
Want to breathe in gun powder with you
Want to witness explosions in the sky
Know I...

Oh how I miss you
Wanna bring you to outer space
I wanna kiss you
Be with you on New Year's eve

This long, so long distance makes me depressed
I want to wake up in the morning with you on my bed
It's your chocolate hair that I want to caress
Oh sweet sweet German girl, can't get you out of my head

I wanna see the fireworks with you
Want to breathe in gun powder with you
Want to witness explosions in the sky
Know I...

Oh how I miss you
Wanna bring you to outer space
I wanna kiss you, baby
Be with you on New Year's eve

Miss you, miss you
Shalala, shalala, shalala, shalala
Oh how I miss you
Wanna bring you to outer space, to outer space

I wanna see the fireworks with you
Want to breathe in gun powder with you
Want to witness explosions in the sky

Oh how I miss you, baby
Wanna bring you to outer space
I wanna kiss you
Be with you on New Year's eve, on New Year's eve

Oh how I miss you
Wanna bring you to outer space
I wanna kiss you, baby
Be with you on New Year's eve

Miss you, miss you
Miss you, miss you
Miss you, I miss you, baby
Miss you, miss you, miss you

Outer space, I miss you
You, yes, you...
